If requested, Executive Committee meetings will occur on the same day as the board meeting, with the public board meeting occurring first followed by the Executive Session.

As required and at least once a quarter, the board will break out into committee (Academic Excellence & Governance and Finance & Development) meetings. Therefore, the meeting will be the first 10 minutes of the board to conduct business, then the remainder of the meeting time will be for committee discussion. These may occur more often as needed.
